[EPOS ICS-TCS Testing & Preoperational Workshop in Bergen \(Norway\), 12-15 February 2019](#)

Tuesday, February 12, 2019 to Friday, February 15, 2019

Location:

Bergen (Norway)

The EPOS [ICS-TCS](#) Testing & Preoperational Workshop will be held from the 12th until the 15th of February 2019 at the Scandic Ørnen Hotel which is suitably placed in the centre of Bergen (Norway) just across from the bus-terminal and the train station.

The workshop is expected to have EPOS Thematic Core Services ([TCS](#)) WP leaders and their nominees as representative IT and use-case persons present for discussions with the Integrated Core Services ([ICS](#)) team.

[You can download here the agenda.](#)

You can find more information in the **Top tip from the IT team** article in the **EPOS newsletter, Issue 01/2019**.
