

Call-for-abstracts #EGU2018 EPOS Session ESSI2.9 Integrating data and services in solid Earth sciences

Date:

Tuesday, January 9, 2018 - 12:00

The EPOS session **ESSI2.9 "Integrating data and services in solid Earth sciences"** scheduled in the program of the 2018 EGU General Assembly (April 8-13, 2018 in Vienna, Austria).

The deadline for the receipt of abstracts is the 10th of January 2018, 13:00 CET.

This session might represent an opportunity to present and discuss efforts to integrate Research Infrastructures and to implement data and services provision for Earth Science.

Further details on the session can be found in [the EGU2018 website](#). #EGU18
