

Few days left to submit your proposal for Trans-National Access to the EPOS TCS Multi-scale laboratories facilities

Date:

Wednesday, January 10, 2018 - 12:30

The deadline for application to submit a proposal for Trans National Access to EPOS Multi-scale laboratories is January 15<sup>th</sup>, 2018.

The EPOS TCS Multi-scale laboratories is offering access to different installations in 22 laboratory facilities across Europe as part of a pilot study of the EPOS Trans-National Access activities.

Access to the facilities will be supported by dedicated national funding and/or in-kind contribution from the partners of the TCS Multi-scale laboratories.

Please visit [the EPOS TCS web pages](#) for more information on the offered facilities and application procedure.
