EPOS IP Board of National Scientific Representatives (BNRS) meeting in Lisbon, (Portugal), 15 March 2018

Thursday, March 15, 2018

Location:

Lisbon, Portugal

On March the 15th, 2018 the EPOS IP Board of National Scientific Representatives (BNRS) members will meet for the third time in Lisbon (Portugal) after the two important EPOS events: the EPOS Implementation and Validation Workshop and the Service Coordination Board (SCB) meeting.

The National Scientific Representatives of the EPOS Implementation Phase project will discuss the implementation and validation of the EPOS services, and take the opportunity to fine-tune work plans and its roadmap.

More information about the event and the venue will be circulated soon.
