

EPOS session at ESC 2018 in La Valletta, Malta, early registration 25 May 2018

Date:

Thursday, May 10, 2018 - 11:45

The 36<sup>th</sup> General Assembly of the European Seismological Commission (ESC) will take place in Valletta, Malta, from the 2<sup>nd</sup> to the 7<sup>th</sup> September, 2018. The EPOS seismology is organising the session: **Seismological e-Infrastructures and their data and products services.**

During the ESC week the EPOS seismology will organize a booth and side events: such as a round of hands-on experiences on the fringes of the scientific programme that will provide attendees with opportunities to directly try out the various data and products discovery and access methods that are offered by EPOS Seismology. More information will be circulated as it becomes available.

**Registration date: 25-May-2018: Cut-off Early bird registration.**
